

**MARYLAND LOGGING CORPORATION**, by and through its Representative,  
Petitioner, *v.* **ISAAC ONOLE**, JOHN WRIGHT, ABRAHAM DENNIS and THE  
BOARD OF GENERAL APPEALS, Ministry of Labor, Youth and Sports, Respondents.

JUDGMENT WITHOUT OPINION

Decided: June 14, 1979.

At the call of this case for reargument, Counsellor Victor Hne appeared for the petitioner, and Counsellor Roosevelt Bortue appeared for the respondents.

Reargument can only be granted when and where some material points raised and argued at the previous hearing had been overlooked at the opinion deciding the case *Bryant v. Harmon*, 12 LLR 405 (1956). And where all the issues presented and argued at the former hearing had been traversed in the opinion deciding the case, reargument will be denied. After studying the record and hearing the opinion and judgment read and handed down at the March 1978 Term of this Court, we have not been able to find any point of law or fact that was not passed upon in the opinion under review. It is therefore adjudged that the petition for reargument should be and the same is hereby denied with costs against the petitioner. The Clerk of this Court is ordered to send a mandate down to the court below commanding the judge presiding therein to resume jurisdiction over the cause and enforce the judgment of this Court, the execution of which the petition for reargument had stayed.

Note: Mrs. Justice Brooks-Randolph being absent has not signed this judgment.
